

# Welcome!

This study series is intended to be a catalyst for personal study. The weekly **“Take 5” teaching sessions** are brief, but are to help frame the subject and challenge us to further explore God’s Word on our own.

The **“Take 5” Scripture Memory Challenge** seeks to match a relevant verse with the weekly study. Taking 5 minutes a day on this can be a huge blessing and even just spending 5 minutes a day meditating on the verse will be encouraging.

## **Additional Study**

This section simply provides passages to investigate during the week. Perhaps these could be spaced out daily over “5” days.

## ***Think About It:***

*“The Sermon on the Mount is not a set of principles to be obeyed apart from identification with Jesus Christ. The Sermon on the Mount is a statement of the life we will live when the Holy Spirit is getting his way with us.” Oswald Chambers*
